

## How to Install the Tutorial

Welcome to **Winning at the Track (WATT)**

**Install the WATT tutorial** quickly and easily by just following the step-by-step instructions below. If WATT is already installed, the tutorial is now ready to use.

### **Create a new folder on your C: drive (name the folder TRACK)**

1. In the lower corner of your Windows Desktop, click START, click PROGRAMS.
2. Go to ACCESSORIES.
3. Next, click COMMAND PROMPT (a black box will open on the screen).
4. Type the following on your keyboard: CD\ (then, hit the "Enter" key).
5. At the C:\> prompt, type this: MD TRACK (hit "Enter" to create the folder).
6. At the C:\> prompt, type: CD\TRACK (hit "Enter" to go to TRACK folder).

### **Download the TUTOR.ZIP file into your new folder**

7. Right click the TUTOR.ZIP file at the **HorseRacingUSA.com** website.
8. Click "Save Target As..."
9. When the "Save In" box appears, change the path to "Local Disc C:\"
10. Look for the yellow folder called TRACK, highlight the folder, and click "Open"
11. Save the TUTOR.ZIP file into the new TRACK folder.
12. Open TUTOR.ZIP by typing: PKUNZIP TUTOR.ZIP at the C:\TRACK> prompt.

### **Run the Tutorial**

13. At the C:\TRACK> prompt, type the word TUTOR ... or ...
14. At your Windows Desktop, click START, and then click RUN
15. In the "Open" box, run the tutorial by typing the following message:

**C:\track\tutor.bat** (then click "OK")

If you have any difficulty opening the TUTOR.ZIP file, contact the publisher for help.
